

Holiday 2020 - Visit Protocols

(at Wellness Care Senior Living at Ojai)

Dear Families,

Wishing you a safe holiday season. Here are a few updates on the protocol while visiting your loved ones at Wellness. We are happy that you can still visit in a safe manner. We ask you to still make appointments ahead of time since our space is limited.

Due the safety of the residents and staff **we are not able to let residents out to your homes since the visits have to be monitored. Like always we are appreciative of your continued support and understanding.**

THANK YOU,

ALY:)
